TEXT: EXTRACT. THIS ARTICLE WAS PUBLISHED IN THE DECEMBER 8, 1989 ISSUE OF THE DAILY SNAP.

AN ALL UNION CENTER FOR PSYCHOTHERAPY AND EXTRASENSORY METHODS RECEIVED ITS FIRST PATIENTS YESTERDAY IN MOSCOW. DOCTOR EDUARD MIKHAYLOVICH LOZHKIN, HEAD OF THIS CENTER, RELATED THE FOLLOWING ABOUT ITS OBJECTIVES AND TASKS: OUR CENTER WAS CREATED AS A JOINT ENTERPRISE OF THE RENOWNED SCIENTIFIC PRODUCTION ASSOCIATION ROTOR IN CHERKASSY AND THE USSR ACADEMY OF SCIENCES' SCIENTIFIC TECHNICAL PRODUCTION ASSOCIATION SIMVOL. THE STATE COMMITTEE FOR SCIENCE AND TECHNOLOGY SUPPORTED THE IDEA OF CREATING THE ALL UNION CENTER. A SITE IN MOSCOW WAS SELECTED FOR ITS CHIEF ORGANIZATION, AND WE ARE RENTING SPACE FOR THIS BASE FACILITY. OUR SPONSOR, THE ROTOR ASSOCIATION, CREATED THE CENTER'S INITIAL ASSETS, AND WE INTEND TO EXIST ON A SELF SUPPORTING BASIS IN THE FUTURE.

WHAT WILL THE ROS CENTER BE ENGAGED IN? IT IS A DIAGNOSTIC, THERAPEUTIC, PREVENTIVE MEDICAL, SCIENTIFIC RESEARCH, TRAINING AND SOCIOLOGICAL CENTER. WE WILL THUS TREAT PRIMARILY ALCOHOLICS AND NARCOTICS ADDICTS, EMPLOYING METHODS OF HYPNOSIS AND PSYCHOTHERAPY WHICH WE HAVE DEVELOPED. THESE METHODS CAN TENTATIVELY BE CALLED CODING, BY ANALOGY WITH TECHNIQUES AND PROCEDURES OF A. DOVZHENKO, ALTHOUGH OUR METHOD TAKES NOT SEVERAL HOURS BUT A FEW MINUTES, AND ITS EFFECTIVENESS IS, TO THE BEST OF MY KNOWLEDGE, UNPRECEDENTED; DURING THE LAST TWO AND A HALF YEARS, 640 OF A THOUSAND ALCOHOLICS WHO WERE TREATED GAVE UP DRINKING FOR GOOD. AMONG THE METHODS OF PRODUCING EFFECTS WHICH WILL BE EMPLOYED AT OUR CENTER ARE PSYCHOTHERAPY, EXTRASENSORY METHODS, HYPNOSIS, THERAPEUTIC NUTRITION, MANY METHODS OF FOLK MEDICINE, AND ALSO WHAT MIGHT BE CALLED CULTURAL THERAPY, THOUGHT THERAPY AND SOCIOPREVENTIVE MEDICINE.
